

Birba

Unique experience of wine tasting. Red grapes leave the colour of their skins to embrace a wonderful straw yellow with scent of summer fruits like peach and fresh flowers. In traditional local culture, the name Birba is given to someone who is a rebel with an original personality. The purple headscarf of the woman represents the original soul of this white wine made of red grapes.

Variety: 100% Barbera

Vineyards: located in Costigliole d'Asti are about 30 years old. Manual harvest.

VINIFICATION

Once pressed the must is immediately separated from skins and begins the removal of all colour particles. After 8 months in steel tanks is ready to be bottled.

AGEING

Due to its nature it is a good wine for ageing.

TASTING

Unusual white wine with an intense straw yellow colour. Fruity scent above all peach and exotic fruits, it presents a peculiar perlage. The taste is elegant, crisp and juicy.

ALCOHOL CONTENT: 14.5 % by volume

FOOD PAIRINGS AND SERVING SUGGESTIONS

Best served at about 8°C in wide glasses. It's very good with appetizers as well as with grilled meat. Excellent with fish courses.
